# The Engagement Code™

The Hollywood formula for impactful business communication that drives action at ANY level.

Before LaQuita became one of the most trusted communication experts in the world, she was an award-winning actor, writer, and producer in Hollywood. Today, she translates the same Hollywood formula used to evoke powerful emotions on the big screen into a fail-proof method to unlock true engagement at any level.

Using The Engagement Code™, she teaches organizations how to create and sustain engagement in their brand, ideas, and customers, so they can achieve remarkable business results. She has helped clients recruit top talent, secure millions in capital, command billion-dollar sales, and elevate their businesses to unprecedented levels. As a keynote speaker, she has delivered talks in 50+ countries, featured alongside Nobel Prize winners, celebrities, and Harvard professors, and represented top brands.
